

Tax Bills For Area Total \$9,091,595

Nearly Million Dollar
Jump Over Last Year.
For Three Townships

Tax billing time has arrived in the Quad-Cities area, with collectors in all three local townships now in the throes of preparing the 1961 personal and real property bills totaling \$9,091,595.

This year's area-wide tax collection total is \$9,091,595 (nearly a million dollars higher than last year's \$8,167,533, reflected in increases in taxing agency rates and assessed values. Tax bills should be in the mail by mid-June for Granite City and Venice townships and by June 5 in Nameoki township.

Of the \$9,091,595 taxes to be collected from Quad-City property owners this year, \$5,907,041 is owed by Granite City property owners, an increase of \$356,869. The Venice township collection this year totals \$2,262,032, an increase of \$20,081, and in Nameoki township, the total collection amounts to \$862,522, up \$137,013.

County Clerk Miss Eulalia Holz in preparing the tax books for the local township collectors also gave a breakdown on the tax dollar, showing how it is distributed to different taxing bodies within the township.

In Granite City township, which is all of the city of Granite City, with a total tax rate of \$3.508 per \$100 assessed valuation, up .22 cents from last year, 7.53 cents of the tax dollar will go to the county, 20.32 cents to the city, 2.26 cents to the school district, 10.03 cents to the levee district, 3.17 cents to the park district and .69-cent to the township.

Venice Tax Dollar
Property owners in the city of Venice will be paying \$3.474 per \$100 assessed valuation, up .33 cents and their tax dollar will be distributed as follows: 6.66 cents to the county, 3.15 cents to the township, 1.1 cent to the township road and bridge fund, 21.8 cents to the city, 11.97 cents to the levee district, 4.4 cents to the park district and .46 cents to the school district.

In the city of Madison, this year's total tax rate is \$3.815, an increase of 18.1 cents over last year, and the tax dollar breakdown shows 7.51 cents to the county, 2.63 cents to the township, .92-cent to the township road and bridge fund, 21.8 cents to the city, 10.01 cents to the levee district and \$3.64 cents to the school district.

Because of the various district taxing agencies in Nameoki township, a breakdown of the tax dollar is virtually impossible. Within the township, property owners could be paying one of three school district, two fire districts and two street lighting districts. The tax rate for Nameoki township property owners living in the Granite City district is \$3.481 per \$100 assessed valuation, up .24 cents from last year.

However, the additional rates which they might be required to pay are 9.2 cents for the Long Lake fire district, 10 cents for the Miracle Manor-Bellmore Place street lighting district, or 10 cents for the State Park.

Cruse Considers Cutting Property Values In GC Twp.

City council members were warned Monday night by Township Tax Assessor Von Dee Cruse that he is considering reductions in property valuations throughout Granite City when the quadrennial real estate assessment begins next Jan. 1.

"Granite Cityans are bearing the brunt of taxes when taxing agencies such as the school district, county and levee district, and other townships, and from the number of vacant houses in Granite City and those with for sale signs stuck in the front yards, people appear to be paying for the signs," Cruse said.

A letter from Cruse to the council Monday night, advising the aldermen to cut valuation in preparing the new city budget since a lower assessed valuation would result in less tax income, also is to be sent to other local taxing agencies advising them of the possibility.

Study To Be Made
Cruse told the Press-Record he is considering the tax assessment cut at this time and plans to give the matter detailed attention before next January, calling for assistance from a local committee he plans to call together, made up of representatives of the local taxing bodies, industry, business and individuals.

"Surveys by local tax committees of the retailers and Chamber of Commerce, show that Granite City property owners are assessed at 55% of the resale value of their property, while the average in other townships is about 40%," Cruse explained.

"I sent the letter to the council so the board will make a decision yet on the 1963 assessment. I feel the local taxpayer is paying more than his share to the taxing bodies that have boundaries which overlap into other townships."

Problem For Taxing Agencies
If the township's valuation is reduced, Cruse continued, "I know it will work a hardship on agencies that presently are at maximum tax rates, and it could possibly result in an equalizing multiplier being set by the state board of revenue. I was told that Granite City township's rate is 2.32."

Madison Firemen Leave Parade To Answer Call
Madison fire department equipment had to leave a Memorial Day parade and bridge fund, 21.8 cents to the city, 11.97 cents to the levee district, 4.4 cents to the park district and .46 cents to the school district.

In the city of Madison, this year's total tax rate is \$3.815, an increase of 18.1 cents over last year, and the tax dollar breakdown shows 7.51 cents to the county, 2.63 cents to the township, .92-cent to the township road and bridge fund, 21.8 cents to the city, 10.01 cents to the levee district and \$3.64 cents to the school district.

Sewer Rate Ordinance Ok'd By Council

Type Of Garbage, Trash
Container For Combined
Collection Specified

Sharp debates highlighted Monday night's brief session of the Granite City council as aldermen adopted the service fee and rate ordinance for the \$10,000,000 sewer, drainage and pollution abatement revenue bond issue and approved an amendment to the city code pertaining to designation of containers for garbage and refuse collection under private contract.

Alderman Walter Nann, leader in opposition to the master sewer and drainage program, was criticized by Alderman Ford Johnson for his stand on the proposal.

As Nann berated the city's program, Johnson jumped to defend the master plan.

"You've picked the wrong sewer and drainage program," Johnson told Nann.

Gain For Nameoki Area
"The Nameoki area will gain from this project. If we don't get started now, it'll be 20 years before we get any drainage in the Nameoki area. This is a start and I know it will progress more and more into the Nameoki area," Johnson said.

David Webb of 2825 Hodges, reported Wednesday that a 22 caliber six-shot revolver of German make was stolen Friday night from a kitchen cabinet in his trailer home. The gun was valued at \$16.

Undergo Surgery
The following are recovering at St. Elizabeth Hospital from surgery which they underwent Friday: Bonnie Franklin, 1026 Market street, Madison; Sue Kammer, 223 Washington street; Edward Leet, 700 Webster street, Madison; Lucille Lyle, 1755 Ponton road; Peggy Cunningham, 3532 Dorwood drive; Milton Haley, 4203 Maryville road; John Natzke, 2631 State street; William Smoot, Lovejoy; Ralph Prohardt, 2445 State street; Sylvia Kutz, Collinsville; Barbara Turner, 3043 Franklin avenue.

The basic rate is figured on the amount of water used during the winter quarter, and businesses and industries also are to be charged on the amounts of water dumped into the city sewer.

Charles Hartline said the fire occurred when he was working on the car's engine and the short circuit. Only minor damage resulted.

\$780 Tire, Tool Theft On Holiday; Auto, Gun Stolen

Three valued at \$642 and a pneumatic wrench worth \$160 were stolen Tuesday night or Wednesday morning from Adams Tire Service shop, 2526 Madison avenue, it was reported to Granite City police. Also, thefts of an auto and a revolver were reported this week.

At the tire shop, 23 new and used tires and a white car were stolen. The car was stolen by thieves, who apparently planned quick tire changes and also stole the pneumatic wrench. Entry was gained by prying open a side door to the shop.

Audrey Fiften, 3033 Circle drive, reported Tuesday that her 1956 green and white car was stolen from a parking lot at 1800 Edison avenue.

Hundreds Of Flags Add Color To Memorial Day Ceremonies

Flags by the hundreds flew in a brisk breeze yesterday providing a colorful setting as Quad-Cities observed a quiet, midweek Memorial Day holiday, taking time out to pay tribute to the war dead during ceremonies on the city hall lawn in Granite City and a parade through Venice and Madison.

At the same time, the Madison American Legion home and the Madison Memorial Center.

The Stars and Stripes lined Madison avenue in Madison and also the downtown area of Granite City, and there were many on display at homes throughout the entire community.

Huber Leaves Bank Board Due To School Post

Homar A. Huber has resigned as a director of the Trust and Savings Bank, he announced at a Granite City school board meeting Monday night. The action was in response to a state ruling that the school district could not transact business with the bank as long as he served on both boards.

With the legal opinion from the state school superintendent's office, followed by Huber's statement, the board proceeded to authorize a \$175,000 tax anticipation warrant, to be submitted to the Trust and Savings Bank at 3 1/2 annual interest.

Huber told the board, "In the past, responsible members of this community have served honorably as members of the board of education of this school district while at the same time holding interest in banking institutions. I am a member of both."

The parade, starting in Venice and proceeding along Madison avenue to the Memorial Center, was along a flag-decked route, with the flags placed by the Madison Rotary Club and Amvets Post 187.

During the ceremony, both the Madison and Venice high school bands played selections. Wreaths were placed at memorial markers by the Gold Star Mothers and Legion Auxiliary, prior to the firing of a salute by Legion 307.

Mother, Son, 2, Fall Out Door As Auto Turns

Five persons, including a mother and small son who fell from an auto, were hurt in a crash of nine traffic accidents occurring in and near the Quad-Cities this week. State police headquarters, which had 87 patrol cars operating in District 11 for the holiday, reported only six accidents, none in this area, and county authorities said they had no reports of traffic accidents this week in the rural areas near the Quad-Cities.

A young mother who was returning home from a hospital and her two-year-old son escaped minor injuries yesterday morning when they fell out of an auto as the right door flew open.

Treated at St. Elizabeth Hospital for cuts and bruises were Mrs. Anne Johannmeier, 21 1/2 Country Lane court, and her small son, Charles III. The infant also suffered a slight concussion.

Continue Talks On GC School Agreement

Teachers, District Staff
Apart On Offers; Meet
Friday With Committee

Requests and offers remain far apart, but continued negotiations are scheduled between the Granite City school district and Teachers' Local 743.

The local salary committee has the board's \$125,000 two-year offer as "too far from the original request (\$88 monthly, \$418,400 grand total for one year) to warrant serious consideration." In replying its offer Monday night after receiving a revised proposal, the board urged that the teachers suggest an agreement "within the reasonable proximity" of the district's offer.

The administrative staff met Tuesday afternoon with the teachers' negotiating committee, and additional meetings are scheduled for tomorrow and next Thursday.

The board's latest action, voted unanimously on a motion by George Stidham and second by Ralph Erickson, was that "the administration advise the teachers' federation that the offer of \$125,000 over two years previously submitted still stands; that in the meantime the administration will attempt to compile additional figures to be submitted at the next regular board meeting."

Citizen Sewer Plan Looks To Future Of GC

Sanitary Water Board issued a clamdown order on any new extensions last July 31.

Election Could Cause Delay
However, the SWB will consider immediate lifting of the ban provided a referendum on the revenue bond issue is not called.

Realizing the urgent need for a sewage treatment plant, the citizens' committee was called upon by the city administration to provide a plan. This was done on Dec.

GC Zoning Code Changed To Define 'Amusement Place'

Acting on a recommendation of the City Planning Commission, Granite City council members voted Monday night to amend the section of the city's 1958 zoning code to exclude go-cart tracks, animal shows and carnivals from the C-2 commercial classification.

The section of the code previously had classed under C-2 "theatres and amusement places," and the planning commissioners had recommended a more specific definition of "amusement places."

The need for the amendment arose about a month ago when a proposal was made for a go-cart race track to be used for amusement purposes along Felling road was submitted and then withdrawn. At the time, nearby residents petitioned the city council opposing the track.

City May Buy 30-Foot Tract On Wabash Ave.

Aquisition of a 30-foot strip of ground along the east side of Wabash avenue between Pontoon road and Amos avenue was authorized in tentative form Monday night by Granite City council members who instructed the city attorney and engineers to confer with the owner and offer earnest money to hold the tract for future purchase with motor fuel tax funds.

The motion was made by Alderman Frank Vesel, who said a survey showed the 30 feet is needed "to align Wabash avenue between Pontoon road and Amos avenue as was authorized some time ago by the council."

He explained the owner was offered the larger tract for sale and was wanting to know if the city was interested in the 30 feet. "The price is about \$500," Vesel said, "a front foot on Pontoon road and \$50 on Amos avenue, if I recall correctly."

Vesel's motion was opposed by Aldermen Donald Dettney, Raul Rutledge, Samuel Whitmer and Arthur Wierzer.

Permission was granted A. H. Seebold Co. to widen its driveway on Adams street at 23rd street by 30 feet.

Sudden Stroke Fatal To Mrs. Nellie Dorris, 57

Mrs. Nellie Dorris, 57, of 2040 Washington avenue, died at St. Elizabeth Hospital at 10:30 p.m. Monday, two hours after suffering a sudden stroke at home.

Mrs. Dorris had been partially paralyzed since stroke seven years ago, but had been in comparatively good health in recent years.

A native of Sharpe, Tenn., she had been a Granite City resident 40 years. Her husband, Gilbert Dorris, preceded her in death last Aug. 1.

SEWER RATE Ordinance Ok'd

(Continued from Page 1)

There was no other comment by aldermen as the rate ordinance, which had been placed on first reading a week earlier, was approved by a vote of 9-to-5.

Voting for the ordinance were Aldermen Donald Parnery, Estlin Von Schmitt, Paul Rutledge, Samuel Whitmer, Mrs. Gabrielle Bel, Arthur Wierzer, Frank Vesel, Joseph Cavar and Johnson. Opposing the ordinance were Nona, Rufus LeMaster, Steve Baarich, Samuel Shackelford and Edmund Bartolacci. Those absent were Charles Meyer and Casner Skubish.

Changes For Private Collection

Preparing for the switchover in about 60 days from a city sanitation department to a private contractor for garbage and trash collection, the council voted an amendment to the city code section which specifies the type of containers.

Under the new \$147,500 contract, garbage must be placed in paper, and garbage and trash are to be placed in the same container. The container itself and two are permissible—must not be over 30-gallon size and must be metal, have a close fitting lid and handles.

Containers smaller than 30 gallons may be used, but the contractor has told the city he will pick up anything that will fit into two 30-gallon containers at each unit—house or business. The ordinance also specifies that the containers are to be placed at the alley line of property, or if there is no alley, at the curb line. A schedule for pickup is to be given at a later date.

Penalties for infractions are to range from \$1 to \$25.

The session's longest debate followed a request by Mayor Davis for a motion to advertise for bids to sell the city's seven sanitation department trucks on separate bids. The mayor said the trucks had not been sold and the sale was not a part of the contract with United Disposal Corp. for private collection of garbage and trash.

The chairman of the Sanitation committee, Alderman LeMaster, remarked that he had heard persons say the city was giving away one of the trucks. It had purchased for \$8500, the amount specified in the contract as the purchase price for all seven vehicles. He followed the mayor's request and made the motion.

Mayor Is Challenged

However, the mayor's move was immediately challenged by several aldermen, who pointed out the \$8500 sale of the seven trucks had been in the contract with United Disposal, approved at the May 21 session.

"That's not what the attorney says," the mayor replied. But Whitmer reminded him that Nona in presenting the contract proposal had read the \$8500 purchase figure and when the amount was criticized, Nona replied that the objects could amend the contract to take it out. This was not done, and one alderman remarked that separation motions were not made in the belief that no effort would be made to sell the trucks. City Atty. John Gitchett explained the contractor had agreed that if the city failed to sell the trucks to other parties, he would not hold them to that section of the contract.

Bi-State Proposal Best Supported, MECCA Group Told

(Continued from Page 1)

Bi-State Development Agency's plan for a unified mass transit system seems to have the greatest support on both sides of the river of all transit plans offered, a St. Louisian said here Monday night.

Horace Browder, a staff member of the Chamber of Commerce of Metropolitan St. Louis, outlined the Bi-State plan and its development at a meeting of the Metro East Chambers of Commerce Association.

Browder said the proposed Bi-State system would have several advantages over other plans which have been advanced to meet the area's public transportation needs.

While it is becoming more and more difficult for private transit companies to survive financially, he said, tax exemptions for work in allied operations would net valuable savings under Bi-State management.

The MECCA meeting was attended by representatives of Chambers of Commerce from Alton, Belleville, East St. Louis, Edwardsville, Hartford and Wood River, as well as from the Tri-Cities C. C.

Commissioners Report

L. James Struff, Southern Illinois University professor, described the activities of the Southwestern Illinois Survey Commission. Headed by Rep. Paul Simon of Troy, the commission was established by the last session of the state legislature to study problems of the St. Clair counties area.

Struff said the group is free to study a wide range of problems, but has not decided which areas it will study will be undertaken. He said SIU is helping with preliminary surveys, and said MECCA could also be of assistance.

Struff also reported on the Metropolitan Area Exposition Commission, headed by Rep. Ralph Smith, Alton. Also established by the last legislature, the commission is primarily concerned with location of an area facility for conventions, cultural affairs, industrial exhibitions and similar activities, he said.

To Study Brochure

Possibilities of publishing a brochure describing the resources and facilities of the two county area of interest to industry were discussed. C. E. Townsend, Industrial Development committee chairman of the Tri-Cities C. C. and Harlan Dobry, local chamber manager, were named to study the matter.

Attending the meeting from the local chamber, in addition to Townsend and Dobry, was Paul H. Liechtenberger, president. Liechtenberger is vice-president of MECCA.

The next meeting of the two county organization is to be held in July in East St. Louis.

"The contractor is willing to release the city," Gitchett said. In reply to Nona's remark that the city had received proposals for the private contract, Bud Brown, another contractor who had mailed copies of a contract proposal—\$500,000—less than United Disposal—to each alderman, was in the audience, but was not called upon.

shield hospitalization deductions according to the present voluntary plan, now in use, on a pay-day basis—a deduction to be made each pay-day. Fifteen sick leave days each year, cumulative to 100 days.

C. Teachers on tenure to receive 100% of unused sick leave upon leaving the system. d. Payroll deductions of union dues of federation members on a pay-day basis of \$1 per pay-day to a total of \$20 per school year. e. One day of personal leave per year for each teacher upon request, for reasons of his own.

"The committee has suggested that you take under consideration the selection of teachers for work in allied activities of a volunteer basis. We believe that it is only reasonable to pay those teachers who volunteer their time and effort."

"We also believe that it is only fair for teachers to be given some remuneration for giving up their preparation period in order to substitute for other teachers absent during the day. We thank you for your cooperation in the past, and hope for a prompt reply to this request."

\$794,830 Two-Year Estimate

A breakdown of the \$794,830 cost includes \$732,200 to grant the pay boost in the coming year and maintain it the following year, \$46,315 for the change in sick leave and \$18,315 for substitute teachers during the day of personal leave.

The board, which had met until nearly 3 a.m. last week in discussing the proposed teachers' agreement, adjourned at 11:45 p.m. Monday after meeting from 9 p.m. to 9:05 p.m. in open session and privately for two hours and 40 minutes. Establishment of a midnight caucus was discussed.

Members of the teachers' local have been attending each regular and special board meeting in May. The present Monday night were Mrs. Bjorkman, Mrs. Genevieve Gleason, Guy Lahr Jr., J. B. Brandsmark and R. T. Jones.

Arbitration On Monday

The board named School Engineer Marvin Dean as its representative on an arbitration panel to discuss a grievance by Teachers' Local 525. William Dots, secretary-treasurer and business representative, is expected to represent Local 525.

Both the teamsters and custodians claim jurisdiction for grass mowing on the high school grounds near the campus.

Donald Justus, 204 East 20th street, was hired for an undesignated custodial position.

Stanley Farrell Dies; Injured Last August

Stanley "Buck" Farrell, 39, a lifetime Granite City resident, died at 3:45 a.m. yesterday at a Jewish hospital in St. Louis of injuries received in an automobile accident last Aug. 26. He had been at the hospital since Monday.

Mr. Farrell, his wife, Wanda, and their four children, Stanley, Philip, and three others, were all seriously injured in a head-on collision on U.S. Highway 40 near Kingston City, Mo.

Mr. Farrell was a bricklayer at the Granite City Steel Co., where he had been employed seven years. He was a member of the City Temple Church, and belonged to Masonic Lodge 877 and Local 65 of the bricklayers' union.

Surviving, in addition to his wife and children, are his father, Champ Farrell sr., Granite City; two sisters, Mrs. John (Dorothy) Leorch of Madison and Miss Sharon Farrell of Granite City; and two brothers, Champ Farrell Jr. and Donald Lee Farrell, both of Granite City.

Funeral arrangements are being handled by the obituary column.

Kiwanis Club Observes Demonstration of Judo

(Continued from Page 2)

Kiwanians adjourned to the semi-formal Japanese bow of respect. This also is required at the beginning of competition between contestants.

Students in the class range from 15 years to 50-plus in age, Whelan said. There are four women in the class, all of whom have the brown belt rating.

Whelan explained the students practice breaking the mat area he is required to make anyone. About 5000 practice falls

are taken, he said. The purpose is to develop the technique of exposing as much body surface as possible to the mat. Practice falls are done from the sitting position, the squatting position and the standing position by engaging as many as 15 opponents. Practice sessions are held three nights a week at the YMCA.

Following the judo demonstration, the students went into a demonstration of karate techniques. This is a method of open mat, practice combat employing both hands and feet in which an experienced person may successfully engage as many as 15 opponents. Practice sessions are held three nights a week at the YMCA.

MORE ABOUT

Citizen
Sewer Plan

(Continued from Page 1)

would not have to build a \$2,937,000 sewage treatment plant as recommended in the study by the East Side Levee & Sanitary District.

In her talks before local groups, Seventh Ward Alderwoman Mrs. Gabrielle Bettine stresses the advantages of a "two-pipe sewer system over a one-pipe system."

"The state Sanitary Water Board now requires that a combined sewer system treatment plant be large enough to handle four times the normal dry weather flow," the alderwoman points out.

"With a two-pipe system, the city would always be in a position to more perfectly treat the waste that goes into the plant. This will become increasingly more important insofar as the cleanup campaign progresses throughout the country by the federal government."

"The federal government is finding it necessary more and more each year to re-use water," Mrs. Bettine says. "The shortage of water has compelled the government to do this. Each year it will become more cautious about what can be dumped into rivers."

"The state Sanitary Water Board presently is requesting compliance with only the most reasonable and barest minimum requirements."

"For us," she continues, "this will mean removal of 45% of the suspended solids, complete removal of the settleable solids and complete removal of the flowable material. The federal government is not asking for the ultimate in purification of the water at this time."

"It is not certain that in another decade the federal regulatory bodies will not require us to have additional and greater purification. With a separated, two-pipe system, it will be possible to perfect purification and to meet future standards that very probably will be set."

"Other cities already have been under the compulsion of enlargement of treatment plants due to rapid growth in their area. As their initial plants did not possess sufficient capacity to take care of the added growth, expanded pollution plants became necessary with more stringent demands by the federal government. The \$1,225,000 plant designed for Granite City would take care of the anticipated growth for over 20 years."

"If and when that near certainty of eventual future requirements of higher degree of purification arises, this is sufficient cause for a recommendation which will meet present requirements and yet lend itself most easily as being the most economically expandable."

"Likewise, a two-pipe system is better for adding onto in the future with the least complications and cost. Granite City's population analysis indicates the city has been increasing at a faster rate than that of the national average. Predictions are

City May Use MFT Funds
For Sewer Cleaning Work

Use of motor fuel tax funds to contract for year-round sewer cleaning is being studied by the Street and Alley committee of the Granite City council. The members met Monday night with City Engineer David Johnston, who said a similar project was being carried out in East St. Louis.

Johnston told the committee about \$60,000 a year would be allocated from city motor fuel tax funds to do the job, and he emphasized the sewer cleaning could only be done in combined sanitary and storm sewers or storm sewers. "The state won't approve use of MFT funds for sanitary sewers only," he said. The committee session, which followed a brief council meeting, was attended by the chairman, Emil Von Schmitt, Walter Komor, Frank Vesel, Supl. Streets William Warfield and A. W. Pearson of Johnston's staff.

Warfield explained the city's equipment was tied up keeping sewer lines open when dirt and sand is washing into the city's lines near Nameoki area sewer breaks. "We'd be able to keep busy on other lines too," he added.

Johnston's proposal, which was accepted by the committee members, was for bids to be sought for sewer cleaning on an annual basis. "You can get more footage that way than by calling in a contractor on special occasions," the engineer said.

It was suggested by Nonn that the sewer cleaning be contracted first in the downtown business district.

Warfield said he would have to hire more men and get additional equipment if the city street department's sewer cleaning crew was to undertake the major sewer cleaning program (editorial page)

Two Schools To Register For Kindergarten Class
Kindergarten classes will be held from 9 a.m. to noon June 4, 5 and 6 at the Dunbar and Elmwood schools.

Each child must have a birth certificate and a physical examination given in the Dunbar conference room beginning at 11 a.m. June 4. The examination fee also is \$1.

Robinson Accepts Post At University Of Tampa
George G. Robinson, 2238 Edison avenue, received a master's degree in physics this week at Missouri School of Mines, Rolla, and will leave for Tampa, Fla., where he will be an assistant professor of physics at the University of Tampa.

Commencement exercises were attended by his mother and also his sister, Mrs. Walter C. Johnson and her husband and family.

Granite City Steel Gets South Vietnam Contract
Granite City Steel Co. has received a \$10,000 contract to furnish galvanized iron sheets to South Vietnam, authorized under the U. S. foreign aid program. Rep. Melvin Price announced Tuesday.

The contract is part of the economic assistance program to South Vietnam offered by this country, Congressman Price said, that by 1960 the city could have a population ranging from 56,800 to 82,000.

"Should the present population continue, at a stop order issued by the state Sanitary Water Board, the city, which means every citizen, will be required to pay fines for failure to comply with the order to halt pollution with the assignment. The fine amounts to \$500 for the first day and \$200 for each day thereafter."

"Should the city not build and own its treatment plant and sewage and should another agency outside Granite City own it, the city of Granite City would lose credits toward urban renewal grants from the federal government for future projects."

Industry Growth
Is Only Answer
To Maximum Jobs

Miss Lillian Green, business analyst and executive assistant to President N. P. Veder of Granite City Steel Co., spoke to the Granite City Rotary Club on "Steel Industry Problems" at Tuesday's luncheon meeting held in the YMCA.

"The business economics of the nation, Miss Green said, suffer from the same malady affecting the steel industry—inadequate expansion of industrial facilities for production of durable goods."

"The 'pie' is just not big enough to provide maximum employment," she explained, "and there is growing concern in Washington over this situation. Part of the answer lies in tax reduction which would free capital for industrial growth."

The ratio of consumer durables buying has been declining since 1955. In that year it was 18% and currently it is running at the rate of 12% which means that more money—proportionately—is going into soft goods and services now and less into the basic job-creating industries."

Inability to finance large-scale industrial modernization and expansion programs, she said, is further aggravated by competition from foreign countries that are becoming industrialized.

"A good bit of foreign steel coming into this country is selling for as much as \$20 per ton below our prices here at home," Miss Green, who was St. Louis "Business Woman of the Year," was introduced by Eugene Allessi, program chairman.

DEPARTING PASTOR, WIFE ARE HONORED

Rev. and Mrs. Commodore Grove were honored with a farewell party given by the congregation of the Dewey Avenue Methodist Church Monday evening. About 75 persons attended. A musical program was given, with Mrs. Shirley Lane as director. She gave a reading, "My Purpose," and all joined in singing.

"Holy, Holy" was sung by Mrs. Louise Potillo, with Sandra Potillo as pianist, and a duet was played by Sandra and Kent Potillo. "Come Thou Almighty King."

Talk was given by Rev. Grove and the family was presented with gifts. The program concluded with group singing and prayer by Raymond Potillo.

All retired to the church basement, where refreshments were served. Rev. Grove offered the invocation. He and Mrs. Grove will leave Friday for their new assignment.

VIEW SLIDES OF AFRICA

Dr. Kathleen Jones Primary Sunbeams of Second Baptist Church met Tuesday afternoon. Dr. Bill Richardson, Southern Baptist medical missionary, visited the meeting and showed slides of Ghana, Africa, where he and his wife and two children will go at the end of June. He answered the children's questions and told several stories of Africa.

The meeting was closed with prayer by Dr. Richardson. Those present were Beverly Bellman, Theresa McMurtry, Frances Welty, Becky Frith, Michael Reynolds, Glenda Walls, Dean Olive, Robert McCord, Nancy Hawkins, Gary Lewis, Larry Anderson, Corby Burnett, Danny Bug and Allen Newberry; visitors, Gail Lewis, Judy McMurtry, Dennis Reynolds, Carolyn Bellman, Sandra Wimbish, Gary Ellis and Michael Holloway; and the leaders, Mrs. Betty Lewis and Shirley Mayberry. Also present were several GAs, Nancy Wigger, Patricia Davis and Diane Olive.

Family Supper
Training Union of Second Baptist Church enjoyed a family supper Tuesday evening at Wilson Park. Bob Lewis, director, was in charge.

Rev. Reed Burkhardt gave prayer and, after the supper, Rev. W. L. Showers led a baseball game for the children. Those present were Mr. and Mrs. Jesse Welty and children, Richard, Frances, Vicki, Susan

7th Hour Defends Soph 'Olympics' Title Successfully

Sevens dropped up all over the place Monday afternoon at Granite City high school, where the seventh annual running of the sophomore physical education class "Olympics" was won by the defending seventh hour PE class. Seven classes participated.

There were not any seven-time winners, but Ron Yates (7th), did place first in three events. The winning class, in order were the sixth hour with 55, first with 48, second with 44, third with 33, fourth with 20, and fifth with 20.

Competition was limited to sophomore boys who were not members of the GCHS track team this year. All events were run in tennis shoes. The winners: 50-yard dash—Dave Williams (5th), 6.3; 120 low hurdles—Ron Yates (7th), 16.1; 100-yard dash—Gary Bearly (4th), 11.5; 220-yard dash—Ron Yates (7th), 24.5; 440-yard run—Phil Andrews (2nd), 1:01.5; 880-yard run—Lloyd Watts (6th), 2:25.8.

Shot Put—Norman Wilfong (7th), 46-9; broad jump—Ron Yates (7th), 17-2; high jump—Craig Neom (2nd), 5-0; 880-yard relay—Seventh hour (Frank Maxfield, Ron Hull, Jim Hankins and Norman Wilfong), 1:49.7.

20 Get Baseball Letters At Prather

Twenty players and two managers received baseball letters Tuesday at Prather Junior high school. The Chiefs had an 8-6 record this spring following a 1-2-3 finish during their first season in 1961.

Lettermen named by Coach Conrad "Babe" Champion were: ninth graders Carl Haug, Art Heide, Leroy Langston, Ray Lord, Robert Martinez, John Miller, Nick Petrillo, John Petrillo, Jim Nelson, Jerry Ritz, Jim Wheatley and Jim Williams; and eighth graders Bill Cox, Jim Horton, Fred Hoffman, Ray McWhorter, Gary Patton, Jim Rains, Tom Stith and Gary Sturdivant. Managers' numerals went to Eddie Keilbach and Neil Lane.

Walker Gets Award

Ed Walker, Madison high school graduate, was one of eight basketball players at St. Louis University to receive freshman awards during an athletic banquet Monday night at Ruggers' restaurant in St. Louis.

Strand Gets Letter

Granite City's James Strand is one of 12 members of the Monmouth College freshman baseball squad to win first-year numerals, awarded by Monmouth Athletic Director Bobby Wolf.

Alt-Wood Blasts Five Homers In 27-11 Win

The scoring resembled football, but it was softball they were playing Monday night at Wilson Park, where Alt-Wood Fuel opened the season in the 35-Plus Slow Pitch league with a 27-11 win over VFW Post 1300. Club Delmar edged Granite City Trust & Savings Bank team in tennis shoes.

Bob Dant drove in five runs for Alt-Wood with two swings of his bat. He homered in the first with one, and put another ball out of the park in the sixth with two teammates aboard.

The Bauer also homered twice for the winners, one of his four-baggers being an inside-the-park clout. Boyd McCamis hit the fifth homer for Alt-Wood. Alt-Wood collected 29 hits off three VFW pitchers.

Paul Thompson was the winner. John Allen pounded out two homers for Trust Bank in the second game, but Club Delmar staged a three-run rally in the seventh to come from two runs behind and win it.

Both clubs managed 16 hits, but winner Ray Lowell weathered the storm and went all the way. Seven doubles spiced the game, with Trust's Al Paskus collecting a pair.

Sacred Heart, Mercer Begin 2-Game Series With Red Sox, Braves Sunday

Local Inter-City entries Sacred Heart and Mercer Funeral Home will play the first half of a two-weekend home-and-home series with Maryville and Pocahontas Sunday, with Mercer needing a win over the Braves to get back into contention in the Blue division, and the Hearts likewise needing a victory to stay close on the heels of unbeaten Moose Lodge in the Red loop.

Mercer, which slipped to third place last Sunday, will have a home field advantage Sunday, in playing the defending playoff champs at Wilson Park. Next week, Ollie Miller's club travels to Pocahontas.

The Hearts will play in Maryville Sunday, with the Red Sox scheduled to call here the following weekend.

Troy's Redbirds, who have not won yet this spring, will try to upset fellow Red division member Moose Lodge of East St. Louis, which has yet to drop a contest.

The Moosemen have disposed of Roxana, Pocahontas, Mercer, Carpenter, Maryville and Collinsville, in that order, scoring 50 runs over the victory period while limiting the opposition to just 16.

Roxana, at 0-6 the second team in the 10-member league which still is winless, seeks that first triumph Sunday at Carpenter. Ollie Miller's club travels to Pocahontas.

The Hearts will play in Maryville Sunday, with the Red Sox scheduled to call here the following weekend.

Dow Metal Whacks Union Starch In Industrial Loop

Dow Metal Products rode to a 10-4 victory over Union Starch last night in a YMCA Industrial Softball league game played at Lee Park in Venice. A second scheduled contest between Air Products and Modern Furnace was rained out.

Union Starch got away to a 2-0 lead in the first on Norm Burnett's home run blast with one teammate aboard, but could not hold it.

Dow tied the game in the fourth took a 6-3 lead in the fifth frame and wrapped things up with a four-run sixth.

Howard Silas and Letty Haines each honored for the winners, Tony Shipkowski was the winning pitcher and Oren Harrison the loser.

Both Drivers Charged

Don Hutchinson, 17, of 908 Grand avenue, Madison, was involved in a minor accident Tuesday. He was given an arrest ticket for improper backing and having no driver's license. Police said he stopped in the 2000 block of 14th street and proceeded to back up, striking an auto that had stopped behind him driven by Larry Wright, 20, of 2027 Edison avenue. Wright was given an arrest ticket for having no driver's license.

Fishing Gear Is Fished Out By Bubblemasters

A routine club dive yesterday at Devil's Kitchen Lake near Carbondale by the Bubblemasters Scuba diving group paid unexpected dividends for two unidentified fishermen.

Eighteen members of the Bubblemasters were participating in the dive when a small boat carrying the two anglers capsized in the lake. The fishermen made their way to safety, and the Bubblemasters moved in to salvage the boat, all fishing gear, a portable radio and even the fish which the anglers had landed.

The club plans a float trip down the Current River near Eminence, Mo., as its next outdoor activity on Sunday, June 10.

Thompson Deputy Again

William Thompson of Collinsville, former deputy sheriff assigned to the Quad-Cities area, who resigned last Nov. 15 to become manager of a Wood River furniture store, will be back on the deputy job tomorrow as a deputy replacement during vacations. It was learned today from Chief Deputy Joseph Kellermann at the sheriff's office in Edwardsville.

Huber Leaves Bank Board

(Continued from Page 1)

duties to the best of my ability. I will continue to hold this position without prejudice or jealousy.

"In order to do so, I have resigned from the board of directors of the Granite City Trust and Savings Bank as of May 26, 1962, and likewise have divested myself of any financial interests in same."

Potential Problem

Noting that he has disposed of his stock in the bank, Huber said the ruling raises the possibility of whether the board will be restricted on its purchases, such as of a General Motors vehicle while one or more board members might own General Motors stock.

"This situation is no different than it has been in the past," he said at present in many Illinois school districts where the question has not been raised, Huber remarked. A Granite City school board meeting since April 1957 and board president from April 1958 to April 1961, he joined the bank board in January 1961.

Board Secretary George Stidham stressed that similar cases have occurred in the past in the Granite City district with no issue raised. President Robert Spengler said the legality had not been questioned until the May 22 board meeting.

Board Member Ralph Fricker, who had asked that a ruling be obtained, commented Monday night that the board must abide by the law interpretation regardless of precedent. Stidham asked for a copy of the legal ruling and suggested that board members receive advance notice of possible complications before entering into purchase contracts.

The necessity of Huber's leaving the bank board was termed as "kind of ridiculous" by Board Member Ralph Buske, who had noted at last week's meeting that the state last year approved a school contract with the firm employing Fricker.

State Opinion

The written opinion obtained by School Attorney Maurice Daley at the board's request from Simon L. Friedman, assistant legal advisor of State Supt. George W. Wilkins, said that the contract with the bank would be invalid and the board lacked authority to issue a tax warrant to the bank due to Huber's dual position.

Friedman cited the state constitution clause which forbids "school officers from being interested in the sale or profit of any book, apparatus or furniture used or to be used in any school with which they may be connected."

"Also, the two sections of the school code which imposed criminal penalties upon board members who violate the constitutional prohibition. Further, state

statutes invalidate contracts made by any public officer with a municipal body in which he holds some office of responsibility."

Financial Interest

"In reading the decisions along these lines, it would appear that the courts recognize only pecuniary interest as a reason for invalidating such contracts," Fricker said. "If that is the case, then there would be a pecuniary interest in the bank stock."

The tax warrant, first to be obtained in the 1961-62 school year, is expected to be followed by another for \$250,000, to be obtained during June from the First Granite City National Bank.

Of the \$245,000 total, \$150,000 will be used prior to the June 30 ending to repay \$150,000 that has been transferred from the building fund to keep the educational fund solvent.

Expect Action Soon On Pontoon Beach Incorporation Plan

Action is expected within the next 30 days on a petition to incorporate Pontoon Beach east of Long Lake as a village, according to Maurice Daley, attorney who filed the petition for incorporation.

He said a hearing on the matter will be set by Judge Michael Kinney after the petition has been checked. If the judge rules in favor of the petition, an election will be held to decide on the incorporation.

The petition was filed recently in the office of Miss Eufellette Hotz, county clerk. First signature is that of William Pates sr., 1109 South drive, who circulated the petition.

Daley said the area involved is a slightly less than two square miles, with approximately 400 residents.

The proposed village boundaries are as follows: Beginning at the intersection of the Illinois Central railroad, Route 111 to FAI Route 270, west to the Alton and Southern railroad, south to a point 1400 feet north of the south line of section 34, east to the east line of the southwest quarter of section 34, south 600 feet then east along a line parallel to and 800 north of the south line of section 34 to centerline of Long Lake, south along the centerline to the south line of section 34, east to the northwest corner of section 2 in Nameoki township, south along the west line of section 2, west line of section 11 to the Illinois Central railroad, then north along the railroad to the beginning point.

NLRB To Set Date For Union Election

Boilermakers Local 513 will continue to represent about 1200 production workers at the local A. O. Smith Corp. and frame manufacturing plant until such time an election can be arranged based on petitions filed by three other unions seeking to be the bargaining agent, it was announced today in a ruling handed down in Washington by the National Labor Relations Board.

The NLRB last summer had ruled in a suit, filed by 23 former employees at the plant charging company and union officials had joined forces to oust them, that the company was to cease recognizing the Boilermakers Union immediately. Both the company and union called for rehearings, which were conducted last fall, and since then a new two-year contract has been agreed upon.

A spokesman for the company said today the most recent NLRB ruling gives the company permission to recognize the Boilermakers as the bargaining agent until such time as a decision is made in an election. "We're studying the lengthy ruling now, and it will be about a week before it can be analyzed entirely."

Three groups have petitions the NLRB regional office seeking an election. They are District 50, United Mine Workers, Independent Auto Frame Workers of America and District 9, International Association of Machinists.

At the regional office, an NLRB official told the Press-Record this morning his staff is processing the petitions of the three groups, but that it was impossible to determine an election date.

Year's Illness Fatal To Mrs. Sarah Nicol

Mrs. Sarah A. Nicol, 59, of 2208 Grand avenue, died at 9 a.m. Tuesday at St. Elizabeth's Hospital. She had been ill for a year, and at the hospital nine days. Born in Swansboro, Wales, Mrs. Nicol had been a Granite City resident since 1924. She was a member of the First Presbyterian Church, and belonged to St. David's Auxiliary and the Women of the Moose.

Surviving are her husband, William; two sons, Kenneth J. Nicol and David L. Nicol, Granite City; a daughter, Mrs. Joseph (Carol Ann) Morgan, Granite City; and three grandchildren.

Funeral services were conducted at this afternoon at the First Presbyterian Church, with burial in Sunset Hill Cemetery near Edwardsville.

An obituary notice appears elsewhere in this issue.

Park Pool Will Be Open This Weekend; Passes On Sale

Season tickets for the Wilson Park swimming pool will go on sale at 4 p.m. tomorrow at the pool office, Harold Brown, superintendent of parks and recreation, said today.

Available only to park district residents, the season passes are priced at \$8 for adults and \$5 for children under 16. Proof of park district residence should be shown upon application for the passes.

The pool will be open from 9 a.m. on Saturday and Sunday, and season tickets also may be purchased at this time. The regular swimming season begins through Labor Day. Approximately 700 swimmers crowded the pool May 26, the first day the park facility had been open this spring. Cool weather held attendance down May 27. The pool also was open yesterday.

300 At Paddlers Pool As New Season Opens

There were no elaborate ceremonies to mark the opening of the sixth swimming season of the Paddlers pool yesterday, but clear skies during the afternoon attracted an estimated 300 members to the first day of swimming.

Promptly at 1 p.m. the pool opened and a long line of children waiting to dash into the pool water hurriedly showered and jumped in. The adults were a little more cautious, but the more daring ventured in, also. The sunny skies gave many an early sunburn, but towards late evening the threatening clouds closed the pool.

Keith Parker, pool manager, announced over the loudspeaker the water temperature and air temperature several times during the course of the day, and announced that the pool will remain open until 9 o'clock each evening, weather permitting.

A little learning is a dangerous thing, but not as serious as too vivid an imagination.

Depot Team Wins Pistol Match At DuQuoin Range

Granite City Engineer Depot placed highest in the shooting match held Monday at the Illinois State Police shooting range at DuQuoin. It was a 60-round Little Camp Perry course.

The scores out of a possible 3000 were GCED, 2175; Menard ship, 2169; District 11 Illinois State Police, 2094; District 13 Illinois State Police, 2054; Menard B team 2033; and Granite City Pistol club, 1959.

High individual scores were Cummings of Menard, 566, and Sgt. H. J. Fiech of GCED, 554. The Granite City police department was unable to participate this month because team members were attending a police training course at Weldon Spring, Mo. The next match will be held at the District 11 Illinois State Police range, Freeburg, Monday, June 25.

81 In County File For Overseas Travel Passports

Circuit Clerk Willard Portell reported today at Edwardsville that passport applications at his office increased 25% this year, with overseas tours planned by teachers and a Lion's Club International convention responsible for the increase.

Granite City leads the county's cities in passport applications with 30, while two have been filed by Madison residents. In all, 81 passports have been issued in the circuit clerk's office between Jan. 1 and May 28. Portell explained that not all passports are obtained through his office, and there might be more for the increase.

Hearing On Water Rate Boost To Be Continued In June

(Special From Springfield)

Attorneys for the objectors to the application for a water rate raise by the East St. Louis & Interurban Water Co. Tuesday completed their cross-examination of the utility's witnesses before the Illinois Commerce Commission.

The water company reserved the right to object to the large water users and the Monsanto Chemical Company's numerous exhibits at the next hearing.

The utility is basing its present application on a test year that ended July 31, 1961. Some evidence has been introduced that the actual figures for that year are less than the test year.

The commission examiner, Martin J. Dolan, Mt. Vernon, said that from all indications the presentation of the company's evidence will be concluded the early part of July.

At that time he said, the objectors will commence the introduction of their evidence in opposition to the company's evidence.

Dolan said he expects the entire case to be completed by Oct. 1, when both sides will probably request the commission to permit oral arguments prior to their taking the case on appeal for final decision. It must be made prior to Nov. 27, when the six months suspension of the company's application expires, otherwise the raise would automatically go into effect.

Dolan scheduled further hearings for June 28, 29 and 30, and June 27, 28, 29 and 30, at Springfield.

ST. MARK'S GRADUATES HONORED AT BREAKFAST

Following the graduation exercises for the eighth grade class of St. Mark's school Sunday morning, breakfast was served to the graduates and their parents by members of the Parents and Friends Association.

The club will meet in two weeks, with the hostesses being Mrs. Mary Adams, 1918 Harris street. Refreshments served by the hostesses included fresh strawberries.

Miss Uffers, who earned a bachelor of science in education degree, was one of 12 selected for the Sigma Xi Honor Society 1962 class. She is a past president of Phi Beta Lambda, the marching band, Holt Hall House Council, American Guild Organists and Student NEA.

Miss Uffers held a high school honor scholarship her freshman year. Harris Patton honor scholarship the junior year and the John C. Hinkle honor scholarship the senior year. She was student librarian her sophomore and junior years and held a student assistantship in the business department the senior year.

Miss Uffers will begin her teaching at the Coolidge Junior High school in September. She will teach social studies and English. A number of friends and relatives attended the graduation.

Edgar Tector, 2034 Milan avenue, has returned to his home after spending two and a half months in the Veterans Administration Hospital, St. Louis.

Hostesses for the event were Mrs. Joseph, Miss Loma Lassen and Miss Nancy Scaturro.

The bride-to-be opened the many gifts which were placed on an elaborately decorated gift table. The table was centered with a Maypole covered with white flowers, with a miniature bride on the top. Streamers from the table and satin Maypole extended to each corner of the table, and white bows also were used in the decorations.

Following the opening of gifts, games were played and many prizes were awarded. The refreshment tables held white flowers as the centerpiece, and the favor baskets were covered with white flowers. A two-course luncheon was served by the hostesses to 75 guests.

A miscellaneous shower was held Sunday in the Venice firemen's club room in honor of Mrs. Marilyn Faye Hoppes, a recent bride.

The former Marilyn Byrd, daughter of Mr. and Mrs. Clarence Byrd of Venice, she married May 24 to James Willard Hoppes, son of Mr. and Mrs. Willard Hoppes of East St. Louis.

Hostesses for the event were Patricia Byrd and Evelyn Barnes.

The honoree was presented with many gifts, and games were played, with prizes awarded to Jackie Leatherman, Rose Duffey and Marie Hall.

Tax Bills For Area

(Continued from Page 1)

Place street lighting district and 10 cents for the State Park Place fire district. If they reside in the Madison school district, the \$2.10 Madison rate should be substituted for the \$2.77 rate for the Granite City school district. Those living in the Collinsville school district should substitute a \$2.137 rate.

Tax Bill On \$10,000 Home
A further breakdown provided by Miss Holz shows the tax bill for a house assessed at a \$10,000 value in Granite City, in Madison and in Venice.

In Granite City the total property tax bill would be \$330.80, and of that total, \$227.70 would go to the school district, \$70.40 to the city, \$33.20 to the levee district, \$29.40 to the county, \$12.40 to the park district and \$2.70 to the township.

In the city of Venice, the \$327.40 tax bill on a \$10,000 house would be distributed as follows: \$159.10 to the school district, \$27.70 to the city, \$33.20 to the levee district, \$29.40 to the county, \$12.40 to the park district and \$2.70 to the township.

Those taking part in the meeting were Mr. and Mrs. Louis Creighton and daughter, Carol, Mr. and Mrs. Robert Graves, Mrs. Nada Wilkinson, Mrs. Avis Richardson and Mrs. Ballentine.

Mrs. Richardson was the hostess of the month and served refreshments in the basement of the church. The next meeting will be held at the church.

Granite Cityan Among Five Rescued At Alton

A Granite City man was among five persons saved Monday night after a boating accident on the Mississippi River about three-quarters of a mile from Alton.

James H. Jones, 36, of 2200 Wilson avenue, Irving Crapo, 26, of St. Louis, Lloyd Pulley, 33, owner of the boat, of Wellston, Mo., and his two children, Jerry Dean, 10 and Eva Mae, 3, were pulled from the water by members of the Alton Volunteer Emergency corps. Police said they were in the water about a half hour.

The 16-foot fiberglass boat had been pulling a water skier, police said. When the engine was cut, a stern wave swamped the craft and it overturned.

A witness on shore gave the alarm about 7:05 p.m. Dean Cochran of Alton saw the accident from a house atop high bluffs overlooking the water. He notified the Alton police department.

The five victims were examined at St. Joseph's Hospital in Alton and released.

Select Name For Son
Timothy James is the name given by Mr. and Mrs. Leroy Britton, 3318 Wilshire drive, to their infant son born May 27 at St. Louis Maternity Hospital. The new arrival weighed eight pounds, 13 ounces.

Real Bargain For Public If Pollution-Drainage Plan Goes Into Effect At Once

The pollution-drainage program adopted by the city council represents a real bargain for Granite City. They can take greatest advantage of the bargain by allowing it to go into effect immediately; this can be accomplished by NOT signing the anti-progress petitions now being circulated. It is a bargain because:

1. Refusal to sign delaying petitions can free the city of the huge bill that has been held back its natural growth for the past 11 months. A backlog of several hundred thousand dollars worth of homes, apartments, stores and other projects can be released, making use of the ideal summer construction weather. If delayed until next year or later, the loss in local payrolls could never be fully regained.
2. Literally millions of dollars of federal aid, with further local spending, can be obtained quickly for street paving, curbs, parking, recreational facilities and other improvements, under the urban renewal program.
3. The favorable climate for new industry can be strengthened, accelerating port activity and attracting plants that will provide more employment, wider job opportunities and greater sharing of the tax burden. Factors needed for such a climate include a two-pipe drainage system; with it, pollution can be halted economically and efficiently, and streets can be kept free from flooding, erosion, and the back-up and overflow of disease-laden sewage into streets and yards.
4. It is the most inexpensive program available and also is the only one offering local control of the amount of monthly charges and of vital sewage treatment facilities. City control of pollution treatment is necessary to obtain the most desirable type of expansion, which in turn can bolster each family's financial well-being.

All of this—obtaining fullest advantage of the bargain—hinges on immediate approval. A costly, time-consuming election is not the answer. A remedy to the city's pollution problem cannot be postponed until it can only impair this community's future.

A timely letter by Alderman Joseph Cuvar on this page today points out that a monthly payment by local families and businesses is inevitable. If the city is blocked, the levee district or state will move in, with probability that costs to local residents would be even higher and that the improvement would be less efficient and bring still higher fees within a short time.

There is understandable interest in whether full value will be received by the public and it is pertinent to note that all of the costly sewer breaks occurring in Granite City have been in lines installed by the levee district, with no breaks along the city's own lines. City control of pollution treatment is necessary to obtain the most desirable type of expansion, which in turn can bolster each family's financial well-being.

Others. Can they pay the price? Preserve your voice in the city election as well as nationwide with your voting rights.

4 Quad-Cityans On County Grand Jury
Four Quad-Cityans have been named to the circuit court grand jury at Edwardsville. The jurors are expected to report June 4 or 5. Foreman of the 25-member group, which convened Monday, is Herman N. Boggs, Alton.

The Press-Record has been outspoken in urging that the pollution-drainage plan be approved by NOT signing petitions that would block it. But we find ourselves in good company.

In their yearly business review and forecast for 1962, 26 top industrial, agricultural, financial and community planning leaders cited Granite City pollution-drainage, urban renewal, industrial development, zoning and police expansion as this community's five major challenges. The authorities agreed that the degree of prosperity in the Quad-Cities is linked directly to the progress made in these five fields, and four of the five would be aided by the city pollution-drainage program.

Citizens on the committee recommending the program to the city council were G. W. Hoelscher, Henry D. Karandjoff, Rev. Robert Baumann, Stanley Bell, Herman Byrd, D. F. Cairns, L. R. Causey, Harold R. Fischer, S. L. Meyer, Henry E. Lueders, D. G. Leonard, Arthur L. Laur, G. L. Keithley, David John, Werner Jarchow, Homer Huber, W. F. Hoelscher, A. C. Guthrie, Paul Gages, A. W. Morris, S. E. Pershall, Carl Raft, L. N. Raterman, Edwin Reiske, Randall Robertson, H. L. Roddy, Ray Moran, O. G. Ruhmann, Edwin G. Schmitt, C. O. Stever, L. L. G. Thompson, William Webb Jr., E. V. Voshell, Hans Wolff, Alderman Samuel Whitmer and C. E. Townsend.

Civic leaders citing the need for a city pollution-drainage program last week were G. W. Hoelscher, Reiske, Rankin, Karandjoff, Karandjoff, Paul H. Lichtenberger, Maurice Rich, Eugene Elbeitz, David W. Morgan, J. Claude Cochrane, Edward Meng, B. C. O'Neill, Fred Plebanek, Joseph Gottlieb and Mayor Leonard P. Davis.

Aldermen voting favorably on adoption of the revenue bond ordinance were Charles Meyer, Donald Partney, Estill Von Schmitt, Paul Rutledge, Cuvar, Whitmer, Mrs. Gabrielle Betines, Frank Vesce, Arthur Wietzer and Ford Johnson.

The consensus is that if Granite City is to live up to its potential—if it is to display the maturity and far-sightedness necessary for it to be an ideal place to live and work—municipal pollution abatement and drainage improvements are essential. The way to achieve this quickly is to NOT SIGN the election petitions.

No Reason To Expect Conflicts Of Interest In Madison County Zoning
Conflicts of interest in conduct of the St. Louis county zoning program, cited today in a Forum letter, have no relation to Madison county's proposed zoning program. The zoning procedure that is vital to a sound local economy.

Government cannot be abolished merely because there are occasional improprieties. The best safeguard is placing good people in office who will also setting up proper rules to follow. Most people in positions of trust meet their responsibilities. When there is an exception, it is no more apt to occur in zoning than in anything else, and no more likely in the county government than in any other public body.

Zoning powers in Madison county would be divided between an administrator, a five-member Board of Appeals and the County Board of Supervisors. The latter group would have final authority but would need a three-fourths vote of all supervisors to override the appeals board, a city or county of 20% of property adjoining a site for which re-zoning is sought.

Opportunity For Global Friendship Next Year
Still a year away, the Rotary International convention to be held in St. Louis already is prompting a d v a n c e preparations affecting local clubs and others in the Illinois Metropolitan Area.

With the prospect of playing host for a day to foreign visitors, Quad-City will have an opportunity to aid in building international good will as well as showing to people of other lands the attractive and interesting community in which they live.

Your Governor Reports by OTTO KERNER

LEGISLATORS TO STUDY GIFTED PUPIL PROGRAM
A \$7 million appropriation for the expansion of gifted children will be recommended to the Illinois General Assembly at its next biennial session. The appropriation and the tentative program were explained at a series of five Governors' Conferences on Developing the Talents of Youth.

The conferences were attended by school officials, civic and community leaders from all areas of the state. The recommendations are based on a study by an advisory council created by the legislature and reported at the conferences by Dr. David M. Jackson, coordinator.

In outlining the recommendations of the council, Dr. Jackson said: "The state can be proud of the progress which has been made in providing for the education of handicapped children, but we believe that special attention should also be given to the children whose development from the average is in the direction of unusually advanced intellectual capacities."

Currently, school districts get state aid for educating the mentally and physically handicapped, but no aid is provided for programs for the gifted.

% Aid Limit
The council recommends that during the 1963-64 biennium, the reimbursement to a district for programs for the gifted should not exceed more than two percent of the total state aid in the district receives.

WHOOPING COUGH
SERIOUS, CONTAGIOUS
Whooping cough is a dangerous disease. It is contagious. It strikes persons of all ages. The most serious danger is to children under five years of age, but it is more serious in the young because of the severity of the disease.

Whooping cough is caused by a germ called hemophilus pertussis, which is found almost always in the throat of patients. It was identified in 1906. The word "pertussis," the Latin term for whooping cough, means extended convulsions.

Delayed Action
Whooping cough develops between seven and 15 days after exposure. It usually begins like an ordinary cold, and this similarity is responsible for the frequent failure to recognize the disease in its early stages.

The patient may have a slight fever, running nose and a cold that develops into a tight dry cough. The coughing spasms are severe.

Coughing Spasms Severe
The cough deepens until the whole body is involved. There is a violent intake of breath following an extended cough. The coughing spasms are severe.

The face becomes deep red or purple, the veins of the face and neck swell, and the eyes water. The body is racked by the prolonged violent, frequent spasms of coughing. The child may be weakened by the repeated coughing and vomiting.

Red Cross Plans Annual Meeting And Election
Final arrangements have been made for the annual meeting of the Tri-City chapter, American Red Cross. The event is open to all persons. Persons desiring to attend may telephone the Red Cross office for reservations.

Miss Janice Cardner, a daughter of Mrs. Howard Hahn, 1304 Niedringhaus avenue, will return Friday from Lindenwood College in St. Louis where she was a freshman student the past year. A June 1960 graduate of the Granite City high school where she was an honor student, Miss Cardner studied flute with Miss Janet Sillars of the St. Louis Symphony, played in various community orchestras and was a member of the student chapter of Music Educators National Conference. She also attended the biennial convention in Chicago.

Miss Cardner was also a teacher of flute and was honored to become a member of Mu Phi Epsilon, National Music Sorority, election to which is based on scholarship, musicianship, character and personality.

Shower Honors

Miss Denise Hagan

Miss Denise Hagan, who will be married Aug. 11 to Milburn Wright, was honoree at a pre-wedding party and shower given Monday evening in the parlors of First Baptist Church by Mrs. Oleva Little, Mrs. Marie Ehler, Mrs. Janet Vansyoc and Mrs. Betty Scrum.

A cupid theme was used and a pink and white color scheme prevailed. The names of the bride and groom-to-be were spelled out with small pink cupids arranged on each side of a larger silver cupid. Suspended over the gift table were pink ribboned bells with a shower of white and pink ribbons adorned with small cupids and hearts. The remaining tables were also decorated with pink and white streamers and bud vases containing rose buds.

Refreshments were served buffet style from a long table centered with a pink and white cake topped with a bride and groom. The hostesses were assisted by Mrs. Gerald Lux and Mrs. John Petrovich, who presided over the punch bowl and coffee service. As the guest of honor arrived at the party she was greeted with the song, "Always," sung by the guests with piano accompaniment by Mrs. Fay Kleinschmidt. Games were played and prizes were awarded. The special award went to Mrs. Petrovich, the tardiest guest to arrive.

Present were Mesdames Helen Thomas, Sadie Mitchelson, Petrovich, Margaret Michels, Maevie Hollis, Dawn Kannan, Ruth Schroeder, Tina Thomas, Maxine Carson, Barbara Shanks, Ann Jones, Helen Scrum, Bessie Morgan, Reese, Gladys Jones, Christine Petrillo, Adele Thomas, Opal Shearburn, Maurine Cochran, Elizabeth J. Davies, Frances Williams, Phyllis Wright, June Lux, Jo Thomas, Ellen Cox, Alida Koller, Mary Zoschuk, Evelyn Boger, Ruth Koch, Pearl Thomas, Mabel Cline, Elsie Michel, Opal Wright, the honoree, Miss Lillie Reese, Janice Sue Vansyoc, Kathy Petrovich and Susan Krolene.

Venice Lions Members

Working On Scout Home

The Venice Lions club held a regular dinner meeting Monday evening at the American Legion Post 307 home, with 18 members present. The president, Gene Elgan, conducted the business meeting and plans were made to complete improvement work on the Boy Scout home on Broadway this week. A discussion was held on the club's annual boat excursion, to be held July 29.

Court of Honor For Troop 12

A Court of Honor for Boy Scout Troop 12 of the Niedringhaus school was held Monday evening at the school.

Twenty-five merit badge awards were made by Scoutmaster Fred Hacke and in addition there were special awards, including Star Badges to Emery Ackerman, and Allen Nicol; a Life Badge to Charles Hacke; a bronze palm on eagle to George Motesog; and a religious award to Peter Maer. After receiving their badges the boys then pinned their mothers with replicas of their newly-attained badges.

The Bear Patrol was in charge of the opening ceremony and James Farney, committee chairman, conducted the meeting. The boys introduced themselves and their parents and after the committee members were introduced the new charter was presented to the FTA president, Clayton Creek, by Frank Draganich, institute representative. Slides of recent activities, including trips and hikes, were shown and a program of cornet, clarinet and piano numbers was given by Charles Hacke, Allen Nicol and Emery Ackerman.

The meeting closed with a ceremony by the Beaver Patrol and refreshments were served to about 125 members and guests.

Any theory is interesting, but accomplishment is more convincing.

SOCIETY

Mrs. Dawes To
Head District
Homemakers

Mrs. Irene Dawes of Granite City was elected chairman of the Southwest District, Missouri County Homemakers Extension Association, Tuesday morning at the semi-annual meeting held at the district held at Niedringhaus Methodist Church.

The outgoing chairman, Mrs. Vyvienne Durbin, conducted the meeting, reports from Mrs. Fred McElroy and Mrs. Myrtle Hickman were heard. Mrs. Hickman also reported on the called and annual county meeting held last week in the city. The Southwest district was host to the county.

Mrs. Alma Beckman, a past chairman, acted as installing officer and installed Mrs. Dawes as chairman and Mrs. Norma Breidenbach as secretary, both for the next two years. Mrs. Norma Jean Ross is the outgoing secretary.

Mrs. Dawes is chairman of the Isabel Bevier unit and Mrs. Breidenbach is a member of the Granite City unit. The vice-chairman, Mrs. Clara Schilling of the Trio unit, and Mrs. McElroy of the Granite City unit will remain in office until the May 1963 meeting.

Members of the nominating committee were Mrs. Maxine Hacke, chairman, Mrs. June Lux and Mrs. Beckman.

Mrs. Beckman and Mrs. Hickman announced that a "mad hatter" will be here in October and all unit members and their guests are to be invited to attend. Tentative plans call for it to be a dessert luncheon.

Mrs. Dawes reported that the Isabel Bevier unit will be host June 21 to the three units who will meet at St. Elizabeth Hospital and hear Sister Theresa explain hypnosis.

Members present included 21 from Granite City, five from Trio and six from Isabel Bevier.

Hospital Group Installs Officers

St. Elizabeth Hospital Auxiliary met Monday evening and installed the following new officers for the coming year.

Mrs. Mabel Gaston, president; Mrs. Lillian Walker, first vice-president; Mrs. Dorothy Partney, second vice-president; Miss Betty Heller, corresponding secretary; Miss Gloria Allen, recording secretary; Mrs. Joseph Strauss, treasurer; and Mrs. Grace Henrich, Mrs. Cecilia Loyet, Mrs. Martha Fox and Mrs. Pearl Ryckman, board members.

The installation was conducted by Mrs. Irene Argelan, president of District Nine, Hospital Auxiliaries.

The ceremony took place in the dining room which was decorated for the occasion with flowers and lighted candles. Miss Helen Heller served as chairman of arrangements.

During the regular business session, plans were made for attendance at the Municipal Opera. A report on the coffee shop was given by Mrs. Elvira Thurber, chairman, and a check for \$700 was presented to Sister Stanisla, hospital administrator.

There were a number of prizes awarded and the special award was won by Mrs. Ruth Orr. Refreshments were served to 35 by the Sisters.

Mrs. Coolidge Hostess For PEO

Chapter III of the P.E.O. Sisterhood was entertained Monday evening in the home of Mrs. Bessie Coolidge on State street.

Fifteen were present at the meeting, the last of the season, and the hostess gave a history of the chapter. Mrs. Dorothy Kerch reviewed the highlights of the state P.E.O. convention which she attended earlier in the season and refreshments were served.

Plans were made to meet again early in September.

Roca Boys Plan 'Work Days' For Summer Months

The Roca, a youth organization sponsored by the Moose Lodge, began "work days" today. The group will wash windows on the ground floors, cut grass and wash cars. The project is in charge of Tom Mitchell, chairman, and appointments may be made by calling TR 7-2302.

Summer dances for the young people also will begin this evening at St. Charles. James Hersh is president of the Roca group.

Be strong in the Lord, and in the power of his might. And take the helmet of salvation, and the sword of the Spirit, which is the word of God. Eph. 6:10,17

Granite City PRESS-RECORD

Page 14 Thurs., May 31, 1962

Carolyn Menendez, presented a flag ceremony and led the pledge of allegiance to the flag. Den Five, with Mrs. Ruth Cook and Den Six, with Mrs. Wanda Renke, served refreshments. Den Two, led by Mrs. Juanita Smith and Mrs. June Weaver, presented a short play, "Professor Safety."

Two new cub scouts, Michael Hill and Gregory Robinson, were accepted into the pack. John Hill accepted the position of committee chairman, Den One and Mrs. Beverly Singleton led community singing to close the meeting.

Plans were discussed for a picnic June 10 at O'Fallon Park.

MOTHER-DAUGHTER DINNER

A mother-daughter banquet was enjoyed by the Girl Scouts and leaders of Wilson school Tuesday at St. John Lutheran church, St. Clair and Dale avenues.

Mrs. Joan Oram was master-of-ceremonies and announced a summer day camp Aug. 6-10. A banquet served by the leaders was enjoyed, with group singing following. The leaders, Margaret Davis Votaw, who also serves as neighborhood chairman, and Joan Oram, Denise Schmitz, Betty Rea, Betty Wallace, Jean Rawlings, Mary Stur-

divant, Virginia Jenkins, Jean Besty, Lillian Hoffman, Carolyn Metz, Stella Davenport, Jean Hines, Julie Barnes Gwen Mayford, Ruth Cook and Barbara Miller, presented the program, entitled "Professor Long Hair and His Music Makers."

Decorations in gold, celebrating the 50th scouting anniversary, were prepared by the leaders. The name favors were made by the girls for the mothers.

4-H SAFETY PROGRAM

National Safety Week is being observed by the Tri-4-H club under the leadership of Mrs. Kathleen Tadlock. The club is to sell safety flags for the Granite City police to be used on car aerials.

The regular meeting was held Tuesday at St. John United Church of Christ when plans were made for an annual "Share The Sun" program.

Demonstrations were given by Claudia Tomson, "Putting In A Hen"; Linda Kozar, "Putting In A Zipper"; Denise Madrid, "The ABC's of Sandwiches"; Judy Burylike, "Points For Baby-Sitting"; Barbara Lerch, "Pastry In Your Meals"; and Sandy Kelly, "What To Do In Case of Fire."

Alta Bollinger was a guest of the club for the evening. The next meeting will be June 5, when guest speaker will be Dr.

A. H. Rode, local dentist. He will speak on "Dental Care."

GUESTS FROM NEW YORK

Mr. and Mrs. James R. Sherman, 3018 Edgewood avenue, have as guests this week Sherman's parents, Mr. and Mrs. C. M. Ruth sr. of Canandaigua, N. Y.

On Sunday at the Good Shepherd E.U.B. Church, Ruth sang "How Lonely Are Thy Dwellings," with Sherman at the organ. At the evening service the last of a revival series, Ruth sang "The Lord's Prayer," accompanied by Sherman. Ninety-five were present.

Den One of Cub Pack 122 of the Wilson school PTA met Monday with Mrs. Beverly Singleton, 2812 Edgewood avenue.

Songs were practiced and games were enjoyed. Mrs. Virginia Ahrens served refreshments to Michael Ahrens, Lou Weaver, Jerry Weller, Bobby Nelson, Ernest Edwards, Paul Bryan, Keith Rodgers and Den Chief Phillip Nelson.

Randy Howard, son of Mr. and Mrs. Calvin Howard, 2832 Edgewood avenue, returned home Monday after a nine-day stay in St. Elizabeth Hospital following surgery.

Mrs. Marceline Dawdy is in St. Elizabeth Hospital recovering from surgery last week. She is reported to be doing well.

Former Resident, Miss Helen Gibson, 94, Dies

Miss Helen V. Gibson, 94, retired Chicago high school teacher and aunt of Miss Gladys Gibson, 4153 Edison avenue, died about 5:30 p. m. Tuesday at the Villa Terrace Nursing Home, Alton, where she had been a patient five years.

The elder Miss Gibson made her home here with her niece for about a year before entering the nursing home. While living here she joined Niedringhaus Methodist Church. She is survived by two other nieces, Mrs. Grace Wagner of Rockford and Mrs. Esther Kayser of East Alton.

Funeral services were conducted this morning at Wood River and she was taken from there to Valhalla Crematory in St. Louis.

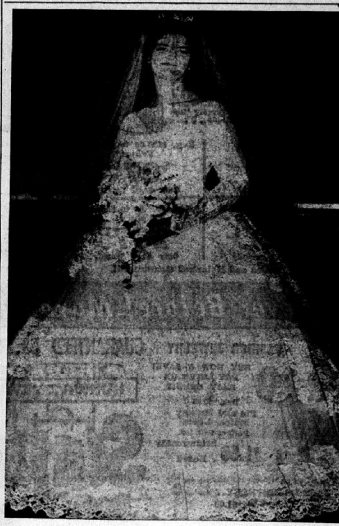

Daughter Born To Former Resident

Announcements have been received of the birth of a daughter, their first child, to Mr. and Mrs. Robert D. Stuart, 454 West Union street, Edwardsville, May 26 at St. Joseph Hospital in Highland. The infant, whose weight was seven pounds, 13 ounces, has been named Stacy Rae.

Mrs. Stuart is the former Sandra Stephens, a daughter of Mr. and Mrs. William G. Stephens of Kansas City, Mo. The father is the younger son of Mr. and Mrs. James Stuart, 3711 Nameoki road.

MRS. DAVID MOSS, a bride of last week. Before her marriage at Cedar View General Baptist Church she was Sheila Key Crump, a daughter of Mr. and Mrs. Ronald Crump, 2428 State street.

MARRIED RECENTLY, Mrs. Donald J. Cook, the former Betty Ann Russell, a daughter of Mr. and Mrs. Joe Russell, 1138 Meridian street. Her wedding took place at First Baptist Church.

Three Vehicles Involved

A hearing has been set for June 16 for Richard Harper, of 2677 East 24th street. He was charged with careless driving and having no driver's license Friday. According to Granite City police, Harper's car struck a parked car belonging to Leo B. Lipi, of 1735 Pontoon road, knocking it into a parked truck owned by a Venice firm. The accident occurred in the 2700 block of East 24th street. It was erroneously reported Monday that Harper's car had struck two parked vehicles.

PITTMANS HONORED BY METHODIST CHURCH

Rev. and Mrs. LeRoy Pittman and sons, Steven and Michael, were honored Monday evening by the congregation of Nameoki Methodist Church with a farewell party. Rev. Pittman has been the church pastor for the past six years and will leave this week for his new parish in Pinckneyville.

The evening's entertainment was a musical interlude with songs by the junior choir and by Janice Seymour, Miss June Nightwilde and Bob Key, and a piano solo by Debbie Weston.

Lloyd Seymour was master of ceremonies and Burie Russell, chairman of the board, spoke on the Pittmans' contribution to the church during their service here. Bill Herman, Sunday School superintendent, also spoke and presented them with a gift from the church.

A floral centerpiece was used as the main table decoration, and over 100 persons enjoyed a social hour with the Pittmans after the entertainment.

MISS BARRY HONORED WITH BRIDAL SHOWER

Miss Geraldine Barry, daughter of Mr. and Mrs. Michael Barry, 1713 More Avenue, was complimented by her mother with a bridal shower Sunday afternoon in the Kirkpatrick homes recreation hall. Miss Barry will be married June 23 at St. Elizabeth Catholic Church to Paul Eads, son of Mr. and Mrs. Walter Baumbarger.

The gift table was decorated in blue, yellow and white streamers and cut flowers, and was centered with a bridal doll. The refreshment table carried out the same color, which will also be used by the bridesmaids in the wedding party. Miss Barry had made the favors in a heart-shaped bell style and adorned with lilies of the valley.

Games were played after the opening of many gifts by the bride-to-be.

Guests present were Mrs. Josephine Yunko, Mrs. Jo Ann Snyder, Mrs. Agnes Schenck, Mrs. Margaret Culbeck, Mrs. Connie George, Mrs. Valerie Jo Grzywacz, Mrs. Minnie Clay, Mrs. William Kessler, Mrs. Regina Jackson, Mrs. Jessie Grivas, Mrs. Emma Baumbarger, Mrs. Ruth Lanner, Mrs. Maurine Cochran, Mrs. Ann Taylor, Mrs. Antonia Barry, grandmother of the bride, and Mrs. Dixie Steph-

PADDLERS BOARD FINAL PRE-SEASON MEETING

The board of directors of Paddlers, Inc., held its last meeting before yesterday's beginning of the swimming season. Monday evening on the patio of the pool located at 2121 Johnson road.

James Spinks, president, conducted the meeting and Bill McGee, operations chairman, reported that nearly all the work of opening the pool for the season has been completed and that a worker's party would be held Tuesday evening.

A financial report was given by Homer Johnson and Andy Gitchoff, and Mrs. Donna Hogan announced the names of families applying for summer membership and the names of those buying.

Keith Parker, pool manager, announced that the pool would open at 1 p.m. Memorial Day and remain open until 9 p.m. Beginning today and on all days school is held, the pool will open at 1 p.m. and remain open until 9 p.m. on Saturdays and Sundays until school is out, the pool will maintain the regular summer hours.

Mrs. Hogan reported that there would be no elaborate elaborate opening day ceremonies, as have been held in the past.

Those present were Mrs. Ho-

gan, Spinks, Gitchoff, Johnson, McGee, Jerry Sizemore, Paul Morris, George Wilson, Clarence Etheridge, Richard Ashli, Bob Graf, Lester Thompson, Parker, Mike Kawula, Earl McMillan, Richard Pittenger, and Mrs. VVYVNE DUBBIN.

Steel Mill Co-Defendant in \$225,000 Lawsuit

Granite City Steel Co. and Koppers Co., St. Louis, were named co-defendants in a \$225,000 damage suit filed Monday in the Madison county circuit court.

Edwardsville, by a St. Louis laborer, Charles Kiehn, who was working on construction here.

Kiehn was employed by a subcontractor of Koppers, which was doing construction at the location in June 1960 when he fell from a tall steel structure and was injured. He filed the suit charging Koppers with violating the "scaffolding act" by failing to provide adequate ladders for climbing to and from the location where he was working, and he also charged the St. Louis firm with failing to provide a safe place to work. Koppers is defendant for \$150,000, while the steel mill was named in the suit for \$75,000 for general negligence.

Members played games and gave cigarettes and canteen books for prizes. Later, the auxiliary members served cupcakes and coffee.

Members participating were Mrs. Marie King, commander; Mrs. Louise Schleiff, hospital chairman; and Mrs. Louise Harp and Mrs. Laura Flach.

Richard Weiss Wins U. of I. Scholarship

Richard T. Weiss of 61 Riverside drive, is one of 10 Madison county high school students who have been named winners of University of Illinois scholarships by County Superintendent of Schools William L. Trimpe, under whose supervision competitive examinations for the awards were conducted last March.

The scholarships are awarded on the basis of grades in the examinations, which were graded by the university. Scholarship winners are exempt from tuition fees for four years.

Other winners of the county scholarships were from East Alton, Edwardsville, Wood River, Alton, Roxana and Collinsville.

30 In Memoriam

Mrs. Mae Annsparger, 87, passed away Thursday, May 17. She had been in ill health for four years.

She was born in Zanesville, Ohio, June 18, 1874. Surviving are one daughter, Mrs. Robertine Esther Fox, 5143 South Ashland, Chicago 9, Ill.

Her teaching career was outstanding as first principal of McKinley school, 1907, the Liberty annex, and the Mission school, Madison avenue. She introduced physical education in 1908, also manual training and domestic science.

Her talents and generosity were unlimited. Her Christian way of life was to help others, supplying shoes, clothing and hot lunches for unfortunate, neglected children.

The following she called her "Sister Song" to her friends at Emerson, where she taught sixth grade 1933 to 1942.

"A quiet chat in a quiet way On this morn of my very last day Will you do me the honor to ascend the stairs? Come up singly — or come in pairs. It is just informal, just something to do. To end the school year of '42." Florine Hanson Bowler and Friends. 35-5-31

with their colors during the ceremony. A girl in the Madison band lineup fainted but was quickly revived.

Fred Honerkamp was in charge of the ceremony, and other participants were Rev. Engelbert Bienek of St. Mary's Church and Rev. Russell Oden of the Daughters of American Revolution.

MADISON METHODIST CHURCH

In Granite City, the ceremony on the city hall lawn started at 9 a.m. under the guidance of Mrs. Minnie Rowley, patriotic chairman for DUV Tent 30. Also participating were Mrs. Sylvia Turner, Tent 50 treasurer; Rev. Robert Baumann of St. Peter E. & R. Church and Alderman Frank Vesel. Taps and the echo were played by Kenneth Wille and David Toth of the Granite City high school band.

Organizations represented for the ceremony and placing wreaths on the memorial stones were DUV Tents 99 and 52, Veterans Mothers, Navy Mothers, and Rev. Russell Oden of the Daughters of American Revolution.

4 Days Next Week At American Steel Plant

The local American Steel Foundries plant will be in operation four days next week, Monday through Thursday, it was learned this morning.

The plant, which manufactures railroad equipment, has been operating four days a week for three weeks after working five days earlier this year.

Organizations represented for the ceremony, Tri-City American Legion and Auxiliary, Quad-City and Long Lake Amvets Posts and Auxiliaries, Veterans of Foreign Wars and Auxiliary.

Cruse Considers Cutting Values

(Continued from Page 1)

The local assessor added that the steps he takes next year will depend on action by other assessors in the county, and that a decision probably would be made during the meetings of the county's township assessors prior to Jan. 1.

"I can't do this by myself. The county board of review could equalize taxes on a township level, and in 1958 there was an agreement to assess at a 60% of real value. However, right in this area there are large brick homes, in other townships assessed at \$12,500 while nearby in Granite City township, smaller frame houses are valued at \$14,000 to \$15,000.

"No wonder people from here are moving into the county, Granite City is carrying the load. Realtors tell me the first question people ask when buying a work-

home is 'What are the taxes?'

"Unless there is an equalization of tax assessments in the county, there probably will be a reduction in valuations in Granite City township," the assessor stated.

Granite City township's present assessed valuation is \$151,024,002, up \$4,814,000 over the previous year's assessment.

17 Complete C. of C. Course on Communism

Seventeen participants completed the second Tri-Cities Chamber of Commerce course on "Freedom vs. Communism" this week. Harold F. Karandjeff, chairman of the Good Citizenship committee, reported.

Under the direction of Glen F. Keithley, discussion leader, they participated in eight 90-minute seminar sessions designed to give them a better understanding of both Communism and our own system, Karandjeff said.

He said the course is expected to be offered to C. of C. members and area clubs and organizations again in the fall. Those completing the first two sessions will be available as discussion leaders.

Completing the course were Dr. E. L. Ackerman, E. R. Applegate, W. E. Ashby, Helen M. Backs, Ernest A. Cochran, Jeanette Cravens, Helen Ganti, Charles L. Gavin, Edna Hoover, Homer A. Huber, Arthur R. Koerber, Herman R. Mueller, Richard Reber, George W. Reeves, Dr. Hal F. Scharf, Dr. E. W. Walton and Vernice E. Wortman.

GC Toastmaster Club Adopts Summer Schedule

The Granite City Toastmaster club announced Monday that meetings will be held the third Monday of each month during June, July and August. Meetings are held at 6:30 p.m. at the Grand Cafe.

Monday's meeting was the last regular weekly session for the season. Twelve members attended.

The club heard three speakers. They were Lee Reid, who spoke on the subject, "Band"; Dr. Leo M. Coleman, who spoke on "A Modern Parable"; and Marvin Dean, who spoke on "Speak Up." The best speaker award went to Dr. Coleman.

Critics were Earl Lee, Charles Withers and Charles Youngs. Ray Uram was toastmaster and Max Forbes was general evaluator. Herman Mueller was timer.

The "bone" award went to Ray Uram.

Frank Rodgers Returns From Naval Reserve Duty

Frank Rodgers Jr., of 2515 Lincoln avenue, returned home Monday from two weeks of training with the Naval Air Reserve that took him 15,500 miles over much of southern Europe in support of the U. S. Sixth Fleet. He was attached to VR-753, a Memphis-based transport squadron.

It was the first time these men have actually come into contact with the Russians. They helped make personnel delivery to Gibraltar while a Russian whaling fleet was in port with hundreds of its officers and men ashore.

The squadron was based in Morocco during its tour. It made the trans-Atlantic crossing by way of Argentina, Newfoundland, and Lajes in the Azores.

Installed in Office At SIU in Carbondale Miss Mary Ellen McElroy, 1561 Johnson road, has been installed as president of Southern Illinois University Women's Recreation Association in Carbondale.

Among the others taking office was Miss Nancy Bischoff, 1403 Ames avenue, publicity chairman.

Baccalaureate At GCHS Sunday For Graduating Class

The June 1962 graduating class of Granite City high school will participate in a baccalaureate services at 3 p.m. Sunday, June 3, in the school auditorium. Commencement exercises are planned for 8 p.m. Friday, June 8, in the GCHS memorial gymnasium.

Sunday's sermon will be delivered by Rev. Austin Fisher, pastor of the Bethesda Baptist Church, rather of one of the graduates, Miss Delores Fisher. His topic will be, "What Is My Life?"

Rev. John DiGiacomo, pastor of the Mitchell Presbyterian Church, will offer the invocation and benediction and present Scripture reading. The GCHS band, directed by Louis Meek, will play for a procession and recessional of the top senior class, wearing traditional caps and gowns.

Led by Warren Simpkins, the school's advanced mixed chorus will sing two selections Sunday, Brahms' "O God, Thou Faithful God" and "God Is the Light of the World" by Morgan.

Backs Into Auto

A minor accident occurred Monday on a parking lot at Madison and Niedringhaus avenues. Police said an auto driven by Artie Lee Faulkner, 19, of St. Louis, backed into another driven by Donald F. Brown, 25, of 1233 Klein street, Venice, inflicting damage to the right rear. Faulkner was given an arrest ticket for careless driving. He posted \$11 cash bail.

Due to the larger size of June classes, compared to January, no commencement guest speakers are scheduled, with the exception of the top senior class, wearing traditional caps and gowns.

Led by Warren Simpkins, the school's advanced mixed chorus will sing two selections Sunday, Brahms' "O God, Thou Faithful God" and "God Is the Light of the World" by Morgan.

Madison Murder Case

A burglary, robbery-murder series occurring in the Madison area March 14-16-20, solved by the Madison police department and county sheriff's office, is featured in the August 1962 issue of True Police Cases, a monthly magazine published in Greenwich, Conn. The August issue has just been printed. "Death Rides By Night," an article by Carl G. Hodges, traces the death of Donald W. Goetz, 29, Mitchell truck driver, and the subsequent arrest of Arnold Pratt, 27, unemployed Venice laborer and former professional boxer. Pratt is under indictment for murder in the case.

GC High School Students Decorate Mayor's Office

Eight Granite City high school art students are putting the finishing touches on art work that will decorate the office of Mayor Leonard R. Davis and the conference room in city hall and tell the story of the city's steel industry.

What were formerly dingy offices with dirty walls and worn-out floors are receiving a complete face-lifting at little cost to the taxpayer.

The walls were painted, the floors tiled and a carpet put in the mayor's office.

Wall Looked Like Frame

The idea of the artwork started when the mayor's secretary, Mrs. Ruth Eberhart, remarked that the conference room wall looked like a picture frame. She suggested consulting Eugene L. Aiasi, director of art education in Granite City schools, to see if a picture could be added.

The result was that the entire wall was decorated with a 22-foot mural in oil. The mural contains four scenes, each depicting Granite City's steel industries. The scenes are tied together with a cloud effect.

Four advanced art students were selected to paint the mural. The city is paying for the materials and the students are donating their time and talent. Mr. Aiasi, who also is donating his time, is supervising the job. The artists work evenings.

Mrs. Eberhart will have her office decorated also. A large oil canvas will be fitted into an inside window between her office and the telephone switchboard. Woodblock prints will also be provided for the walls.

Student Artists

Doing the paintings are Ernie Barry, 17, a senior, son of Mr. and Mrs. Ernest Barry, of 28 Briarcliff; Carter Knipping, 18, a senior, son of Mr. and Mrs. Carter Knipping, 1612 Primrose avenue; Keith Zinn, 17, a junior, son of Mr. and Mrs. Dorsey Zinn, 2905 Center street; and Donald Thebeau, 16, a junior, son of Mr. and Mrs. Roy Thebeau, 3516 Namooki road.

Four other students are making six welded steel art forms which will decorate the mayor's office. The Granite City art department was the first in the state to bring oxygen and acetylene-type welded art into a high school. That was last October. Since then some high schools in Chicago and other large cities have begun to teach it and it is spreading.

Doing the welded art forms are Bill Ashby, 17, a junior, son of Mr. and Mrs. Gene Ashby, of Rural Route One; Robert Davis, 17, a senior, son of Mr. and Mrs. Nathaniel D. Davis, 1345 Meridian avenue; George Walsh, 18, a senior, son of Mr. and Mrs. Thomas Walsh, of 2020 O'Hare avenue; and Joe Jackson, 17, a senior, son of Mr. and Mrs. Fred Jackson, 2233 Edwards street.

Said Mrs. Eberhart:

"We are all eagerly waiting to see what the finished work looks like. The mayor is proud as punch. We all are."

ARTISTS AT WORK — From left to right are — Donald Thebeau, Keith Zinn, Ernie Barry and Carter Knipping. Their large mural in the city hall conference room is in the final stage of completion. It depicts four separate scenes from the steel industry all tied together with a cloud effect.

WELDED ART FORMS also will grace the mayor's office. Six welded steel pieces are being prepared by advanced Granite City high school art students. Left to right are Eugene L. Aiasi, director of art education, looking on as George Walsh, Bill Ashby, Joe Jackson and Robert Davis work on two of the pieces.

City Bill List, Payroll—\$47,380

Disbursements totaling \$47,380, including a half-month payroll of \$42,100 and a week's expenses of \$5,280, were approved Monday night by Granite City council members.

Major items on the bill list include payments of \$733 to Melvin Fashes for maintenance of the city dump during May; \$206 balance due St. Elizabeth Hospital for medical care for Supt. of Streets William Warfield; \$336 to Leo Kamadulski for cutting weeds on 114 lots; and \$60 paid to Leatherman Septic Tank & Sewer Service to pump two cesspools in North Granite, with the amount to be repaid the city by the private property owner. It was explained the pumping was an emergency because of a health hazard.

The city also paid \$90 to William Fricke, former street department worker who was injured. The payment total was for two weeks under the Workmen's Compensation Act. Louis Mathenia was paid \$35 for appraising the seven trucks of the sanitation department.

Aldermanic expense allow-

ances of \$30 a month were listed for the following: Steve Basrich, Joseph Cuvier, Ford Johnson, Rufus LeMaster, Charles Meyer, Paul Rutledge, Samuel Shackelford, Casmer Skelish, Frank Vesel, Samuel Whitmer, Walter Nonn and Arthur Wiczor. Other expense allowances on the bill list were—\$50 for Assistant Fire Chief Curtis Donley; \$50 for Civil Defense Director Victor Koenig; \$50 for CD Co-Director Theodore Todoroff and \$50 for Police Chief Raymond Willard.

Plan to be a homeowner?

A lawyer can answer your questions

Is it all right to sign all those papers? Is the property you're buying exactly as described? Who pays the taxes for this year? Which is the best way to take title—in joint tenancy or solely in your name? (There may be a tax advantage, in your case, by not owning the home in joint tenancy with your wife.)

Your lawyer knows the answers. He will explain the purpose of each paper, make certain that your rights are protected, give you the best advice about the question of joint tenancy, in terms of your personal circumstances.

Your lawyer will explain to you, also, the importance of receiving a good title. The safest way to be sure is to ask the seller to provide a title insurance policy from Chicago Title and Trust Company.

WILL ATTEND CHRISTIAN SCIENCE MEETING

Mr. and Mrs. Earl Morlock, members of First Church of Christ, Scientist, will be among those in attendance from Illinois at the annual meeting of The First Church of Christ, Scientist, in Boston, Mass., Monday, June 4.

The meeting will bring together thousands of Christian Scientists from many parts of the United States, Canada and other countries. A number of church members from overseas areas are scheduled to arrive on special flights for the meeting.

New officers to be announced include the incoming president and two new Readers of the Mother Church. New members of The Christian Science Board of Lectureship will be announced.

HONORS BRIDE AT SHOWER

Mrs. B. D. Goodwin, 2316 State street, entertained guests at a fish fry and bridal shower Monday evening honoring a recent bride, Mrs. Emma Zupan of Maryville, Ill.

Those present were Mrs. Edna Hanlen of Sturgis, S. D., Mrs. Grace Burns, Mrs. Mary Conrole, Mrs. Corinne Bird, Mrs. Abbie Fox, Mrs. Cora Barr, Mrs. Laura Benson and the honoree.

Jayceettes Elect New Officers

The Jayceettes met Monday evening at the Big Top Bowl and elected the following new officers for the coming season: Mrs. Ethel Juergensen, president; Mrs. Barbara Wyatt, vice-president; Mrs. Jo Ann McPherson, recording secretary; Mrs. Marilyn Presley, corresponding secretary; and Mrs. Betty Young, treasurer. The officers will be installed in a joint ceremony with the Jaycees July 7.

Mrs. Joyce Hogan, the retiring president, conducted the meeting during which plans were made to attend the performance of the musical, "Around the World in 80 Days," at the Municipal Opera June 18.

John Cooper of the Big Top discussed briefly the organization of a bowling team which the Jayceettes are planning, and a club creed, composed by Mrs. McPherson, was adopted. Mrs. Jeanette Holder was named chairman of a group to aid the Jaycees with a Junior Sports Jamboree on July 21.

The hostesses, Mrs. Wyatt and Mrs. Sallie Herbst, served refreshments to 18 members.

A NIFTY FIFTY BRICK: A duplex brick in good condition—plastered interior—separate utilities per apartment—fenced-in rear yard. A good opportunity to live in one and rent out the other. Settlement of an estate allows the house to be offered at \$5,000.

A REAL MONEY MAKER: 5 & bath up with 5 & 1/2 bath down—you can live here while the tenant make your house payments—\$130 pr. mo. income presently for the wise investor—kept in good shape throughout the years strengthens the investment potential—small down payment will handle so call for particulars.

RATSKELLER—3 BEDROOM—\$14,250: Ranch type home with every inch useable for the family, combination alarm, storm sash, fully insulated, new FWA heat—hardwood floors, built-in kitchen; loads of closet space—\$450 down will give the family the room it needs—make the appointment today.

ON THE WAY TO THE BLUFFS: A full 120' x 130' lot with a 1 1/2 year old, brand new frame constructed ranch. Family size kitchen—3 bedrooms—large laundry room—gas heat—oak floors—plastered interior—3rd bedroom has knotty pine walls & acoustic tile ceiling—extremely low taxes—call for appointment.

DEPARTMENT STORE TYPE COMMERCIAL BUILDING: Already occupied, tenants will sign a new lease for the new owner—two 4-room apartments on 2nd floor and to the guaranteed income, full basement with plenty of storage area—parking lot on rear—enough room to divide 1st floor many times.

3 BEDROOM BRICK—ATTACHED GARAGE: Newly constructed, the keys are in the office for inspection—planned and designed with the woman in mind—a built-in kitchen with birch cabinets, formal dining room, stainless steel built-in oven & range, range hood—laundry room—gas heat—spacious closets—enriched shower over tub—call today—\$500 down will move you in tomorrow.

GLEAMING WHITE RANCH ON THE EDGE OF TOWN—TAXES \$100: A real bundle of joy with all the extra's—full poured concrete basement that is partitioned for family recreation with Dad's work shop & Mom's laundry room. Beautiful hardwood floors—colored fixtures in tiled bath—attached carport—gas heat—city water—1 1/2 car garage—\$500 down—make the appointment today.

WOMEN KNOW WHAT THEY WANT: And this 3 bedroom ranch is what they are looking for. The built-in oven & range with exhaust hood make cooking a pleasure—a laundry room that's handy to cut down the steps of every day chores—white aluminum siding—tiled bath with lavet in—loaded with closets and birch cabinets—combination alarm, storm sash.

FOUR SEASONS ARE HERE: Winter months in this knotty pine basement are enjoyed by all of the family—part for summer meals—economy gas radiant heat—brick construction—3 bedrooms—hardwood floors—the port for dad's car—landscaped to complete the warmth of this family first. Call for an appointment—\$18,500—\$1100 down.

4 FAMILY INCOME PROPERTY ALWAYS RENTED: The owner has kept this dwelling in top shape—4 3-room apts. with private bath—full basement—exterior 2 years old—no repairs or redecoration necessary—the office will manage the property for a smart investor.

TRAILER LOT AVAILABLE 22x36 ILLINOIS AVENUE: All the utilities are waiting to be used by interested parties who have a trailer. 50 x 125 ft.—owner will sacrifice—cash or will finance the property himself.

FIVE 10-ACRE BUILDING SITES: Still on the drawing board of the engineers these sites will be ready soon—interested builders, investors, homeowners can obtain more information by calling the office.

BRICK STORY & HALF: Room galore in this "growing" family size home. 4 large rooms down with 1/2 bath & shower. 3 good bedrooms up—2 full baths—large sun porch—plastered interior—gas heat—full basement—extra large sun porch enclosed for all year purpose—2 car garage—85 x 125 lot with 115 ft. frontage.

SPIC & SPAN 4 ROOM BUNGALOW: A well kept home—6 years old—2 bedrooms—automatic oil FWA heat—fully insulated—alarm, combination storm sash—220 elec. service—1 car garage—50' x 126' lot—\$11,500—\$600 down—\$85 pr. mo. will handle—Call for appointment.

Charity Organization Opens Office Here

A newly-chartered non-profit corporation has opened a temporary office in Granite City. It is the World Out Reach for Deliverance, Inc., to be known as "WORLD, Incorporated."

A charter was granted by the Illinois secretary of state this month. The local office is at 1224 Edison avenue. It also has a mailing address at Box 1712, Springfield.

WORLD was founded by the Rev. and Mrs. Lenore Blackburn, 3246 Westchester drive; State Rep. G. William Horsley, of Springfield; and Raymond R. Powell, of Springfield.

The organization intends to carry on charitable, educational and religious activity around the world.

Among the projects WORLD hopes to accomplish is a vocational school for teenagers in Guatemala. There is a revolving fund which will make available 25,000 dollars each month in various native languages around the world to ready assistance in the way of food and clothing is being given in underdeveloped parts of the world.

The Rev. Blackburn intends to make a trip around the world this fall to determine what WORLD's help is most needed.

The organization hopes to establish orphanages. Rev. Blackburn said it takes only a few dollars to provide food and clothing for a child in many countries. In such places as Korea, he says, help is much needed and is welcomed.

Rev. Blackburn recently made a film in Central America which he has shown to various church groups. He said money is donated to WORLD mostly by business men.

4-H Club Aiding in Local Safety Week Observance

This week's local observance of "Safety Week," sponsored by the Quad-City Safety Council, has become a part of the regular program of the 4-H Club, which has 50 club members distributing countermeasures charts to be placed inside doors of home medicine cabinets to be easily available for emergencies, such as treatment for poisonings or overdoses.

The club stresses the safety and health phases of the 4-H program and last year won state safety award for work in the club and community.

As another part of the safety program, the club members are slated to witness on July 20 a demonstration of mouth-to-mouth resuscitation as staged by the Quad-City Safety Council with its new "Resusc-A-Mate" model, acquired from Sweden. Parents of members are being invited to attend this meeting.

Marilyn Benderick, Eula Mullen and Kathy Bravre are junior leaders of the club, and Mrs. Robert Bravre is the leader. The unit meets on the first and third Thursdays of each month at St. John United Church of Christ.

IRS Seeks Special Tests At Springfield Sept. 19-20

Jay G. Philpott, district director, Internal Revenue Service, Springfield, announced today that he now has available application forms for persons other than attorneys and certified public accountants, who wish to take qualifying examinations for practice before the Treasury Department.

The 1962 special enrollment tests will be given in the Springfield district headquarters office at 325 West Adams street, on Sept. 19 and 20.

Applications must be mailed to the Director of Practice, Internal Revenue Service, Washington 25, D. C., before Sept. 1. A fee of \$25 must be paid with the application.

Enrollment is required of persons wishing to represent clients in tax matters before the department, and in certain other actions.

Director Philpott said that 25 took the 1961 examination in this district.

GC Costs Of \$2,038,896 Leave Slim Balance

Total disbursements by the city of Granite City during the 1961-62 fiscal year amounted to \$2,038,896, compared to \$1,608,229 during the 1960-61 fiscal year, and the city's cash balance dropped this year to \$136,781 from \$534,386 at the close of the 1960-61 year.

The annual financial report was made public this week. Because of the lateness in reporting tax books from Edwards this year, the collection of 1961 taxes is not expected to start until late next month, and for that reason, the city has authorized for the first time in two decades the issuance of two anticipation warrants. The first \$100,000 warrant is expected to be issued within a few days, while the second \$100,000 loan will not be sought if new money becomes available.

In his report to the council, Comptroller John Doobier pointed out there are several fund balances in the \$136,781 balance on May 1 that cannot be used for city operations. These include the police and fire department pension funds, library and motor fuel tax funds.

Sales Tax Reserve Cut To \$484
"The balance in the sales tax fund at the beginning of the 1961-62 fiscal year was \$170,872 and receipts amounted to \$210,259," Doobier stated, adding that total disbursements were \$380,638, leaving a balance of only \$484 last May 1.

"Extraordinary amounts in disbursements out of sales tax were transfers to the sewer maintenance and general operating funds amounted to \$374,171, the expense of sidewalks and curbs at Memorial Park amounted to \$5402, and \$1041 for striping Madison avenue.

Doobier pointed out the city earned \$9000 interest on funds that were invested at the start of the fiscal year before the numerous severe breaks started that depleted the city's cash balances.

The city's largest balance is in its parking meter fund. It started the fiscal year with \$53,120, and receipts amounted to \$42,097, with disbursements of \$30,193, leaving a balance on May 1 of \$64,034. "Extraordinary disbursements from parking meter funds were \$608 for engineering of the proposed improvement of 15th street; \$1278 for a new motorcycle and \$4000 transferred to the general operating fund accounts," Doobier said.

Transfer Plan Upset
"We had intended to transfer \$178,171 from sales tax reserves into the general fund during this fiscal year, and we would have reduced our new tax levy accordingly. But unforeseen difficulties caused us to revise this figure so that finally we were only able to transfer \$72,000. Nevertheless, with this amount of \$72,000 from sales tax and \$4000 from parking meters and by refraining from expending for several items that were listed in the appropriation ordinance for the fiscal year, we were able to end the year with a balance of \$31,592 in the general operating fund," Doobier said.

Among the major expenditures for equipment were two trucks, a refuse collection body, five police patrol cars, a motorcycle, radar speed timing equipment and 500 feet of fire hose, all purchased for cash. Pay increases of \$25 a month were granted to all city employees.

The comptroller said the amount received into the general fund from taxes during the year was \$780,683, with other receipts totaling \$256,719. "The income from taxes represented 74% of the total receipts," he added.

The city's motor fuel tax expenditures during the past fiscal year amounted to \$140,454, or slightly higher than the \$135,799 spent during the 1960-61 year.

Disbursement Comparison
A comparison of departmental disbursements during the past fiscal year and the 1960-61 fiscal year follows, with the 1961-62 totals listed first:

Fire department, \$222,948 and \$283,394; water, \$14,649 and \$14,231; street department, \$225,439 and \$245,517; street lighting, \$18,220 and \$11,752; pumping station, \$4003 and \$7610; general government, \$92,816 and \$79,075; city hall, \$22,631 and \$25,841; police department, \$240,559 and \$223,554; inspection department, \$18,261 and \$15,569; election, \$62 and \$17,061; sanitation department, \$108,011 and \$15,875; interest and judgment, \$13,042 and \$11,143; dog catching, \$16,845 and \$8690; contingent, \$15,499 and \$10,124; tax commissions, \$16,328 and \$16,925; city planning, \$1616 and none. Totals—\$1,099,102 and \$1,116,364.

A similar breakdown for special fund accounts, with the exception of motor fuel tax projects, follows:

Municipal retirement, \$42,629 and \$38,537; working cash, \$137,446 transfer and none; parking meters, \$27,183 and \$38,738; police pension, \$18,165 and \$17,646; firemen pension, \$31,764 and \$27,005; public library, \$87,116 and \$83,138; arterial street maintenance, \$80,067 and \$57,960; unclaimed rebate, none and none; civil defense, \$10,896 and \$8095; maintenance of sewers, \$484,575 and \$617,710; sales tax, \$6466 and a \$74,171 transfer, and \$52,419 and a \$90,445 transfer; special improvements, \$936 and \$32,946.

Funeral services were conducted Tuesday at 9 a.m. at St. Michael the Archangel Catholic Church, Stanton, for Mrs. Cora Eller, 78. She was the mother of Black L. Eller of Granite City.

Mrs. Eller died Saturday at the Stanton Community Memorial Hospital. Survivors also include four other sons, one daughter, a sister, 13 grandchildren and 12 great-grandchildren.

Burial was in the Stanton City Cemetery.
